

United Way is building a stronger and healthier community!

Investing In Children

Helping children achieve their full potential by:

- *Improving access to quality, affordable child care and early learning opportunities*
- *Increasing literacy skills*
- *Providing after-school mentoring programs for youth*
- *Educating parents about the importance of a child's first three years of life*

Building Stable Lives

Helping families become stable and independent by:

- *Assisting with emergency and long-term needs*
- *Increasing financial education*
- *Supporting job training and skills development programs*
- *Supporting youth development programs*

Supporting Our Most Vulnerable

Helping people in need:

- *Maintain dignity and independence*
- *Maintain social and emotional stability*
- *Connect to needed social services*
